

Welcome to Twin Falls High School! My name is Bill Hartley and I work primarily with students whose last names begin with A-H. I graduated

from the University of Idaho in 1979 and earned my Master's degree in school counseling from the College of Idaho in 1987. I have been employed in the Twin Falls School District since the fall of 1979. I began my career teaching Math and coaching

football and track at Robert Stuart Middle School. I moved on to Twin Falls High School as a counselor in the fall of 1996. I thoroughly enjoy working with young people and hopefully have instilled some indelible bits of wisdom in students over the years. I enjoy golfing, fly fishing, swimming, dirt biking and taking evening walks with my wife and our two dachshunds.
